

# Haliburton Lake Cottagers' Association

INCORPORATED UNDER THE LAWS OF ONTARIO

NEWSLETTER APRIL 1992

## PRESIDENTS MESSAGE

Haliburton Lake has been under a blanket of snow for so long but before we know it the first small green shoots will poke their heads up and spring will have arrived. Summer can't be far behind and with it another full season of activities.

But before we look at this years activities let's discuss last years agenda.

Our swimming lesson's went off without a hitch, thanks to Sue Mason's organization and we're looking forward to another year of teaching your children & grandchildren.

Dave Woodrow, Garth Johnston & Larry Tupling did a great job of marking the lake. Do remember we are not responsible for any obstructions we miss. It's up to each boater to be alert at all times. We simply try to mark the problem areas that we know about in order to make your boating more enjoyable.

Dave Freeman organized our dances and did a great job. All of our regular dances were a success bringing in well needed capital. The 29 and over dance held mid month was unfortunately not well attended. We look forward to this years dances. Plan to attend and have some fun.

The Regatta was a wonderful success with Chris Sutton at the helm. All board members and many of their family & friends deserve a great deal of thanks. It's a long day and if it weren't for these people there wouldn't be any swimming races, horse shoes, boat races, games, food etc. The list of people is so long that I can only say thank-you for your time and efforts.

Diane Kelly decided to host fun nights for the kids this past summer and they were a great success. The children certainly enjoyed them. Many thanks to Diane and her helpers.

Our Hall project has come along splendidly with many people giving us their time and skills. The first items completed were the insulation of the walls and the wiring. The following people deserve thanks Dave Woodrow, Larry Tupling, Don Avison, Garth Johnston, Paul Griffiths, Eric Kuiper, Dave Freeman, Susan and Sheryl Heinze and Jim Ball.

## President's Message (con't)

Faced with time and labour considerations R.T.L. Contracting was hired to rough-in the kitchen, two washrooms and furnace room at the back of the hall. He did a great job.

Many thanks go to Bob and Herald Heinze for installing the plumbing. It was no glamour job as they had to crawl under the building.

The heating system was our next obstacle to overcome. Well Dan Turpin came to our aid by finding us an oil tank and furnace at a reduced cost and Cliff Tamlinson got us a chimney for less. Both these men and their wives Susan and Joanne spent time installing this equipment. Many thanks.

The furnace ducting was the next part. Ken McKay came to our aid once again being able to purchase at a reduced cost. Then both he and his son Jason did the installation. Unfortunately Ken has sold his cottage but we are very grateful for his efforts.

During the summer Dan Kay came to me with a terrific deal on steel doors. Since our front doors were in such poor shape, we agreed immediately. Both Dan and Bob Lambe gave their time to install these doors, so take a look when you pass the hall, I think you'll agree they did a great job which we greatly appreciated.

Our kitchen had been drywalled and needed a coat of paint. Chris McManus and Chris Anglis came to the rescue and did a great job. Thanks boys.

The final part of our hall renovations for this past year was to insulate the ceiling, construct a trap door to attic space, put up vapour barrier and strapping. Mike Fimio being the lowest bidder received this contract and did an excellent job.

We must also thank Mike Fimio for keeping our driveway open all winter at no charge to us. We greatly appreciate this.

There may be some people that I've missed and to these people I apologize. If you've helped us in some way we are most thankful.

Two years ago I missed thanking Bill Stamp for his generous donation and I would like to take this opportunity to do so. It was certainly appreciated.

President's Message (con't)

This year we are faced with the enclosure of the ceiling and completion of the kitchen. We will also need to construct some sort of shed for equipment storage.

We are considering having a C.P.R. course. But we need to hear from you. So if you're interested please give one of us a call and let us know. If we don't have enough people we won't be able to have it. This course is great for teenagers as well.

Well we look forward to another exciting year. Be sure to check the schedule of events for the activities you're interested in. We are always looking for new ideas. Don't be shy, let us hear from you.

Remember this is your lake and your association, without your input we can not succeed. So get involved, speak up, you'll meet new people and have more fun.

Betty Ball  
President

This is a very hard report to write and is compounded by the fact that we don't see or hear from the majority of our members until spring. We would like to be able to pass on to the cottagers and residents any news: good or bad that takes place while you are absent from your home away from home. If you have anything you would like included, please send it along with YOUR SPRING MEMBERSHIP RENEWAL.

It is with great sadness that we must report the passing of a number of our neighbours: seasonal and permanent. I must first apologize for missing the passing of Earl Sovereign last year. Mike Kachmar, cottager turned resident in the past couple of years passed away in February. Helen Bright, wife of the late Bill, mother of Dave and Susan passed away in February. Helen and Bill were cottagers on Haliburton Lake 30 some years. Ed Callighen, passed away in March after he and his wife Audrey had recently retired, making Haliburton Lake their home. Ev Robertson, long time resident of Haliburton Lake with husband John, passed away on January 12. She is sadly missed by many. Bill Omand, cottager of 30 years, past director of H.L.C.A., husband of June and father of Lori, Mark, and Todd passed away in March leaving behind many friends and fond memories. Mary Elaine Sutton, cottager for 36 years, mother of Chris and Greg passed away on November 21. Harry Towns, a long time cottager, passed away late last year and will be missed by the many who knew him.

On behalf of the Directors, please accept our condolences.

#### Baseball

Our Wednesday afternoon pick up baseball has some up & down stars. We had 20 to 30 players every Wed arrive for the game. The beach was filled with parent fans and children of all ages who all had a great time. Greg Sutton will again coach any interested children who want to come and learn or perfect their baseball skills and most of all have FUN.

See you any Wed at the Public Beach from 3.30 - 4.30. Bring your baseball gloves.

## Dances

Once again the dances (all six of them) proved to be a lot of work but in the end also proved again this year to be our second biggest money maker next to memberships. We are still looking for anyone with D.J. equipment and experience to play at our dances. If you fit this description or know of someone who does, please contact Sheryl, Eric, or myself.

As a special event this year, we are arranging to have a live band play at one of our dances. Due to the size of the off-lake crowd this would attract and because of the limited space we have in our hall, we are proposing to have this dance take place at the West Guilford Hall. We are also proposing to have transportation available for those who do not wish to drive. It will be restricted to 19 years and over, as the W.G. hall is licensed. We will have final arrangements made by the May 24 meeting or keep our eyes on the sign board at Fort Irwin for more details.

The 29 and Holding dances will be held again this year -- check the calendar of events for the dates.

Dave Freeman

D I D Y O U K N O W . . . . .

- o there is a new BOATERS law  
(see details below)
- o Of the letters that Dave Freeman received this year, one struck a nerve. In the April 14th issue of the Haliburton County Echo and the Minden Times both covered a story about 2 seperate incidents where domestic dogs chased and wounded deer. Please be aware that if you use your cottage in the winter months, and your dog is sighted chasing deer by the Ministry of Natural Resources that they will shoot the dog and the owner also will be fined.
- o Recycling Bins have been moved to each dump here on the lake. The dumps are going to be fenced and manned and their hours will be posted. If everyone cooperates and uses these dumps wisely, hopefully they will not fill up too quickly and both will continue to remain open. The fencing and manning is now law and designed to stop the dumping of unwanted (either by amount or type) refuse in our local dumps.
- o Anyone wishing to advertise in this newsletter should contact Sheryl Heinze at 705 754-2875. Deadline is March.

**BOATERS  
THERE'S A NEW LAW  
THAT AFFECTS YOU**

AS OF AUGUST 28, 1991 IT IS  
ILLEGAL TO OPERATE A POWER-DRIVEN  
VESSEL OVER 10 KM/H (6 MPH)  
WITHIN 30 METRES (100 FEET)  
OF ANY SHORELINE

EXEMPTIONS ARE MADE FOR SMALL  
RIVERS LESS THAN 100 METRES WIDE,  
CANALS, BUOYED CHANNELS, OR WATERS  
THAT ALREADY HAVE A SHORELINE SPEED LIMIT

**OBEY THE LAW AND  
REDUCE  
TRAGIC ACCIDENTS!**

- Feb/93 - Poker Run (detail to be posted)  
(proceeds to HLCA & HCSA)

## Fireworks

This year will be the third Fireworks Display that we are going to put on. The first year went well and was enjoyable but something went wrong last year. The fireworks, although purchased from the same supplier, were not near the same quality. At the beginning of April this year, I took a day off work to attend a course put on by the Explosives Division of Energy Mines and Resources Canada and obtained my Fireworks Supervisors license allowing me to purchase and ignite professional display fireworks. Needless to say, I think those who attend this year will be pleased.

## HALL RENTAL

Since last fall, I am happy to announce that the hall has been rented FOUR times. Each of these were in the winter months and took some work to have things operational. I would like to take this time to thank Robert Heinze who always came to my rescue and Mike Fimio for keeping the driveway open.

Call for reservations.

Dave Freeman

## BAKE SALE

Something NEW! Come and join the action.

Any person wishing to bake goods or to help out with this Bake sale please contact Debbie Lambe at 754-3456.

Proceeds from this sale will go towards new playground equipment.

Bake Sale

Place: H.L.C.A. Hall

Date : July 4

Time : details will be posted ( Look for the posted signs)

## KID'S NIGHT at the HALL

Many thanks go to the parents who helped make Tuesday evenings a success. For the month of July, the children aged 7 to 16 gathered at the hall for a night of Bingo or crafts.

We all had a great time and hope to continue the programme again this summer.

Adjenda for this summer.

When: Tuesdays July 7, 14, 21, 28  
Where: H.L.C.A. Hall  
Time: 7pm to 8pm

July 7 will be a BINGO night. Come and join the FUN.

Dianne Kelly

MEMBERSHIPS

-----

I am very pleased to report that we have had a great response so far to the membership letter that went out earlier this year. 230 people have joined up, that's almost half the lake and the best start we've had ever! This allows us to go ahead with the projects and events planned by the Association and keep on top of our financial status for future concerns.

For those of you who have joined already, your memberships cards and plaque sticker for 1992 should be enclosed with your newsletter package. If you haven't joined, the application form is below. As a full member (cottager owner) or an associate (relative or friend), all will help! Either way, our Association thanks you, the memberships, for your continued, generous support.

## RULES OF THE LAKE

The following is a list of items to keep in mind when you are enjoying your cottage life. For those of you who rent your cottage this should be placed in a prominent position, as many renters are unfamiliar with some of the unique conditions surrounding country property.

### (1) WATER QUALITY

- (a) Never attempt to kill weeds in lake with any weed killing agent or chemical. This is a crime under the Fisheries Act, and carries a stiff fine.
- (b) Don't use soaps, shampoo or detergents in lake
- (c) Don't use fertilizers on lawns or gardens near the lake
- (e) Don't pour fuels near water or on the dock.
- (f) Don't idle boat motors when not necessary.

### (2) BOATING SAFETY

- (a) Keep a bailer, oars, and lifejacket for each passenger in the boat at all times, and at night carry a flashlight (or use your running lights).
- (b) Observe the 5MPH SPEED LIMIT under the bridges and through the channels.
- (c) When water skiing wear a life jacket, have a spotter in the boat, keep clear of swimmers, and stop your motor when taking skiers aboard.
- (d) Swimmers in open water must be accompanied by a boat.
- (e) Replace worn or leaky fuel lines.
- (f) It is illegal to consume any alcoholic beverages in a boat. Driving a motor boat while impaired is a criminal offence.

### (3) COTTAGE SAFETY

- (A) Remove your valuables, guns and liquor from the cottage when closing for the season
- (b) Identify your valuables with an engraver (available from OPP in Minden) by placing a distinguishing mark in an inconspicuous place.
- (c) Keep a supply of candles and flashlights on hand in case of a blackout.
- (d) Keep a first aid kit on hand. Replace consumed items and be sure to check the expiry date.
- (e) In the winter don't park on ploughed roads.

#### (4) ENVIRONMENTAL PROTECTION

- (a) When using the dumps make sure all the garbage goes entirely over the hill. Messy dumps have been closed by the Municipality in the past.
- (b) Put ONLY household garbage in the dumps. NO BRUSH, BOATS, FURNITURE, ETC. ONLY IN DESIGNATED AREAS. If you are doing renovations, use a dumpster and tell your contractor not to put wood, shingles etc. into the dump.
- (c) Please keep our public beaches, lake, and roadsides clean. Put garbage in the cans provided.
- (d) Don't peel bark off, or otherwise mutilate living trees.
- (e) Remember to recycle bottles, cans and newspapers. Recycling bins available beside Rob Pooles at Fort Irwin Centre.

#### (5) SEPTIC TANKS

- (a) Septic tanks can handle all household wastes, including those from toilet, sink, showers, baths, washing machine and garbage-grinder. The amount of grease, household cleaners and disinfectants ordinarily encountered the household kitchen will not have any detrimental effect.
- (b) DON'T allow any paper towels, disposable diapers, sanitary napkins, tampons, cigarette and cigar butts, newspapers, wrapping papers, or rags to enter into tank. They are difficult to decompose and can clog the system.
- (c) Don't add any chemicals to the tank. No products are required to clean the tank or accelerate or improve it's action. All necessary bacteria are present in the tank and once the anaerobic process beings, nothing special needs to be added.
- (d) DON'T OVERLOAD YOUR TANK. If you are having a party, be sure you know the capacity of your tank.
- (e) Don't let any water from roof drains, foundation drains or any other source of runoff, enter your septic tank.
- (f) Inspect your tank annually to see if cleaning is required. If so, call a reputable pump-out service. Regular cleaning will save you money in the long run.

If everyone takes heed of the above rules our properties will keep there high value both in dollars and in beauty for many generations to come.

## HALIBURTON LAKE - REGATTA 1992

This year "Regatta 92" will be held on Saturday, August 1, 1992. Last year's date was changed from Sunday to Saturday because of the chance of incimate weather on the Sunday, which would then reschedule the event for Monday. This would not be an ideal date simply because cottagers are gearing up to drive back to the city. Last year this worked out well because if you recall, Sunday was not a favourable day for weather. The cottagers who were not aware of the change were probably not members of the Haliburton Lake Cottage Association, and therefore did not receive the newsletter. The easiest way to avoid problems like this in the future is to make sure that all cottagers are members.

I would like to thank everyone who assisted in the operation of last year's Regatta; from our staff at our exclusive outdoor lake-side fine dining restaurant on the beach; to the expert judging of the sand castle event; to the organization of the world famous horse-shoe pitch; to the fun and games on the beach for the kids; to the highly competitive water activities; to the man of the day on our P.A. information systems; to the fast pace boat races; to the dazzling water ski competition; to the on-shore administration team; and of course, more importantly, to our clean-up crew that moved in at the end of the day to clean our beautiful beach.

"Regatta 92" will be another success. If anyone has any recommendations for new events or if they have any comments about the Regatta, or would like to volunteer to assist with "Regatta 92", you can contact myself, Christopher Sutton by letter at: 2851 John Street, Ste. #1, Markham, Ontario, L3R 5R7, or telephone (416) 477-9200.

May the sun shine on "Regatta 92"!

Christopher Sutton  
Regatta Director

## ROCK BASS DERBY

The rock bass derby will be held again this year to further efforts to rid them of our lake.

The weigh in of fish will be for the Month of JULY at he Public Beach from 1 - 2pm.

If the Sunday is a rainy day, we would go back to the H.L.C.A. Hall for thyat day. For further information on this watch the bulletin board located near the Marina.

## Swimming Lessons

Last summer our H.L.C.A. swim program was a great success. Thanks to Cathy Beese and Shelly Huckle, the children had a fun July improving their swimming.

Once again, we are planning lessons for the MONTH OF JULY and Shelly Huckle ( a cottager on Haliburton Lake) has been hired to instruct. Most of our swimmers met Shelly last summer.

Shelly will be registering swimmers on the Saturday June 27 from 2pm -4pm at the H.L.C.A. Hall. Lessons will start on the Monday June 29.

# of children	1 week	2 weeks	3 weeks	4 weeks	5 weeks
1	\$20	\$40	\$55	\$70	\$70
2	\$40	\$80	\$110	\$140	\$140
3	\$55	\$95	\$120	\$150	\$150
4	\$65	\$105	\$130	\$160	\$160

Please have your H.L.C.A. membership paid up or another \$10.00 fee must be added to non-members.

SUE MASON

# SNOWPLOWING

## WEED CUTTING

Dan Malloy is our weed program co-ordinator. If you wish to participate, fill out the following form or contact Dan Malloy at (416) 878-9478. The weeds are scheduled to be cut July 25 & 26.

### H.L.C.A. 1992 WEED CONTROL APPLICATION

I would like to participate in the 1992 weed control program. Enclosed is my cheque, made payable to the Haliburton Lake Cottagers Association. I understand that if there are not enough participants my money will be refunded. I further understand that the HLCA can not be held responsible for damages caused by the weed control operation to my property or person on my property.
